REMARKS

This is UNEVALUATED Information

[redacted] Field Marshal Paulus visited his former
adjutant, Colonel Adam, who transferred his residence to Dresden on 21 November.
Adam, a high-ranking KVP officer is said to be given an assignment as general in
Dresden. 25X1

[redacted] Comment. Colonel Adam was possibly attached to ex-Field Marshal Paulus who
at present resides in Dresden. During the war, Adam was adjutant to Paulus. It is 25X1
not impossible that Adam will be given a post at the newly established KVP academy
in Dresden, which will allegedly be headed by Major General Borufka.
